In nome e per conto di Telecom Italia S.p.A., di cui fungiamo da Funzione IPR, con la presente siamo a richiederLe di voler cortesemente sottoscrivere i documenti allegati al fine di poter procedere al deposito della domanda di brevetto in oggetto, nell'ambito della quale Lei è indicato tra gli inventori, presso il Canadian Intellectual Property Office ed il Patent and Trademark Office USA.

Re: PCT/IB2002/005216 "Method for optimizing the positioning of high sensitivity receiver front-ends in a mobile telephony network and related mobile telephony network".

In reference to our previous letter of July 10, 2006, and lacking any response from you, we are compelled herewith to send you new documents and to ask you to sign, date, and send them to us so we can proceed with the formalities related to the patent application cited above at the Canadian Intellectual Property Office and at the Patent and Trademark Office (USA).

Please note that the documents for the U.S. ("Declaration and Power of Attorney" and "Assignment") are stapled to a complete copy of the patent application that includes the text, claims, and figures (a patent application that was furthermore already sent to you at the time of the relevant filing) in line with U.S. practices. However, we ask you to sign and date the documents without detaching them from the text. Attached you will also find a new Assignment for Canada.

Informing you that failure on your part to sign the attached documents will cause great harm to Telecom Italia S.p.A. that can prejudice your chance of having the patent in question granted in the United States and Canada, we wait in anticipation for your kind and urgent reply within not more than 10 days of the date of the present letter.

Best wishes,

Oggetto: PCT/IB2002/005216 "Method for optimizing the positioning of high sensitivity receiver front-ends in a mobile telephony network and related mobile telephony network"

Con riferimento alla ns. precedente lettera del 10 luglio 2006 e in assenza di un riscontro da parte Sua, ci vediamo costretti con la presente a rimandarLe nuovi documenti e a richiederLe di sottoscriverli, datarli e di inviarceli, al fine di poter procedere con le formalità relative alla domanda di brevetto in oggetto presso il Canadian Intellectual Property Office e presso il Patent and Trademark Office USA.

Voglia notare che i documenti per USA ("Declaration and Power of Attorney" - Procura e "Assignment" - Cessione) sono stati pinzati ad una copia completa della domanda di brevetto, comprensiva di testo, rivendicazioni e figure (domanda di brevetto che pure era già stata a Lei inviata al momento del relativo deposito) secondo quanto previsto dalla prassi statunitense. La preghiamo pertanto di firmare e datare i documenti senza staccarli dal testo. Allegato troverà anche un nuovo "Assignment" - Cessione per il Canada.

Nel ricordarLe, che la mancata sottoscrizione dei documenti allegati da parte Sua arreca un grave danno a Telecom Italia S.p.A., alla quale può pregiudicare la possibilità di vedersi concesso il brevetto in questione negli Stati Uniti ed in Canada, rimaniamo in attesa di Suo cortese, urgente riscontro entro e non oltre 10 giorni dalla data della presente.

Distinti saluti
